

## Sorceric Twistings

Elemental Spirit Manifesting--a automatic drawing

**I find the meaning emerge between line and form.**

**Where conception occurs in blinding emptiness.**

**The sacred ecstasy-return, return,**

**Return to me.**

**Sacred letters, emerging ecstasies**

**Emotion as effulgent Light**

**Between line and form. Beyond line and form.**

**Nostalgias Ancient and vast flow beyond my eyes.**

**Rivers dreaming to encompass the extent of Self.**

**I have known freedom's Wings**

**Escaping the gravity of belief.**

**Follows the river dreaming**

**Into the depths of Self**

**Ever Returning**

**Ever new**

**Renewal.**
